

## TRAVEL GRANT - HANDBOOK

In offering these awards, the Regional Studies Association is seeking to promote and encourage research and dissemination activities, both within and across trans-national borders and to further the overall aims and objectives of the Association.

Apply for up to £500 funding towards your travel costs (transport only) to attend a non-RSA event. This grant is an opportunity to help you towards your travel costs to present your work, network and participate at worldwide non-RSA events within the field. You must be a member of the RSA when applying and when the event takes place and be presenting a paper at the event in the field of regional studies (sub-national). You can read reports from past RSA Travel Grant awardees on the website in the section "Previous Awards".

### ***Before the Event***

- The travel grant is funding of up to £500 (c. \$630; c. €560) towards the travel costs (transport only) to attend a non-RSA event. Only one travel grant can be awarded per individual every five years of membership.
- The RSA Travel grant covers only transport costs (in all cases only second-class fares will be paid on trains and economy class on air travel for 1 person) up to £500 (not accommodation, subsistence, conference fee). The award is to be spent toward the costs of travel for public transport only and always at the lowest available fare. Taxis are not to be used as a method of transport covered by the award. We encourage you to take the most direct route between your official address and the meeting place and the most cost-effective mode of transport taking into account journey time and the nature of the journey.
- The award is for the reimbursement of travel costs only (transport costs), cannot be used in conjunction with any other Regional Studies Association conference bursary and is only valid for non-RSA events within the field of regional studies. Any budget changes should be communicated to the RSA in advance and are subject to approval.
- A maximum of two applications can be awarded per deadline. Only one award will be provided to a member of the RSA per event (two if the event is exceptionally large).
- Those who are not successful are welcome to reapply. Applications are not transferrable to another person or another event. If the travel does not take place within a year of the award being provided, the application will then be cancelled, and a new application will need to be submitted.
- Applicants of the travel grant must be a member of the Association at the time of the application, at the time of travel and at the point of claiming reimbursement. Non-members are encouraged to apply and join at the same time.
- Please be aware that the event you wish to attend needs to be held a minimum of 4 weeks after the Travel Grant application deadline has passed.
- Individual members in any category will be refunded directly but members using their corporate membership will be refunded to the corporate body.
- Awards will be considered on receipt of the fully completed application form. The Association's Chief Executive and one Trustee (to be decided from time to time) will take delegated decisions on the Travel Award.
- The Association will only reimburse the sum budgeted in the application and agreed to in the award letter that will need to be signed by the Awardees. We therefore strongly encourage you to take out travel insurance to cover any other extra costs that may occur.
- Please note, that the funding for the claimed travel expenses must be exclusively funded by the RSA. For clarity this means you may not use funding from other sources for travel that is covered by the RSA.

- It is the responsibility of the recipients of the travel grant to ensure that the research complies with all the correct General Data Protection Regulations (GDPR), the Data Protection Act and PECR (Privacy and Electronic Communications Regulations). The grant holder is responsible for any human resources related, health and safety issues.
- The RSA accept no responsibility for the views or opinions expressed by the travel grant holder at the event.
