

Regional Studies Association China Conference 2015
Harmonious Development, Common Prosperity and the
Transformation of Cities and Regions

25th – 27th November 2015, Zhejiang University, Hangzhou, China

Academic Programme

Boat Tour at West Lake, Hangzhou

Date/Time: Wednesday 25/11/2015 1400 - 1600, West Lake

Boat Tour	Boat Tour at West Lake in Hangzhou, meeting in the Hall of the Conference Center of the Run Run Shaw Science Building at 14:00
-----------	--

Registration

Date/Time: Wednesday 25/11/2015 1600 - 1800, Conference Center

Registration	Registration desk opens at 16:00 in the Hall of the Run Run Shaw Science Building.
--------------	--

Welcome Reception

Date/Time: Wednesday 25/11/2015 1830 - 2000, Conference Center

Welcome Reception	The Welcome Reception is open to all participants of the RSA Conference 'Harmonious
-------------------	---

Registration

Date/Time: Thursday 26/11/2015 0800 - 1715, Conference Center

Registration	Registration desk opens at 8:00 in the Hall of the Run Run Shaw Science Building.
--------------	---

Welcome to the Conference

Date/Time: Thursday 26/11/2015 0900 - 0915, Room 117

Luo, Weidong - Zhejiang University, China	Welcome to the Conference
Liu, Weidong - Institute of Geographic Sciences & Natural Resources Research, China	Welcome to the Conference

Opening Plenary

Date/Time: Thursday 26/11/2015 0900 - 1015, Room 117

Chair: Yeung, Henry Wai-Chung - National University of Singapore, Singapore

Turok, Ivan - Human Sciences Research Council, South Africa	The relationship between urbanisation and development
Lin, George - University Of Hong Kong, China	Empowering regional economy with spectacular space: Mega-events, over-drafted capital, and momentary growth in China's metropolises

Refreshment Break

Date/Time: Thursday 26/11/2015 1015 - 1045, The Conference Hall

Refreshment Break	Refreshment Break, the Hall of the Run Run Shaw Science Building
-------------------	--

Strategic Planning, International Investment and Metropolitan Growth

Date/Time: Thursday 26/11/2015 1045 - 1215, Room 201

Chair: Michael Dunford - University of Sussex, and Chinese Academy of Sciences, United Kingdom

Campolina Diniz, Clélio - CEDEPLAR - Universidade Federal de Minas Gerais, Brazil	Brazil: Fast Metropolization and Urban Crisis
Limonov, Leonid - ICSEER Leontief Centre, Russia	Role of Metropolitan Areas in Strategic Planning of Russian Regions: Cases of St Petersburg and the Republic of Tatarstan
Beer, Andrew - UniSA Business School, Australia	Economic Growth and Chinese Investment in Australian Housing
Kundu, Amitabh - INSTITUTE FOR HUMAN DEVELOPMENT, India	Urbanisation and Regional Development in Asian Countries

Universities and Spatial Development

Date/Time: Thursday 26/11/2015 1045 - 1215, Room 203

Chair: David Hamers - PBL The Netherlands Environmental Assessment Agency, The Netherlands

Liu, Cui - Zhejiang University, China	Promoting Collaborative Growth of Universities and Regions Through Cross-Region Multi-Campus Universities
Christian, Onyishi - FEDERAL COLLEGE OF EDUCATION EHA-AMUFU ENUGU STATE, NIGERIA, Nigeria	The Role of Universities, Public Research and Technology Diffusion and Transfer in Economic Development
Gu, Hui - School of Architecture, Southeast University	Temporal-spatial Characteristics of Cross-college Collaboration Networks: A Case Study of Core Areas of Yangtze River Delta and Nanjing Metropolitan Circle
Hechi, Wang - School of Architecture Southeast University	Exploration of Development Relation Between Urban Planning and University City Planning

Ecosystem Services, Environmental Protection and Development

Date/Time: Thursday 26/11/2015 1045 - 1215, Room 204

Chair: Li Ma - Institute of Geographic Sciences & Natural Resources Research, China

Samsura, Datuk Ary - Radboud University Nijmegen, The Netherlands Sagala, Saut - Institute of Technology Bandung, Indonesia Situngkir, Fernando - Resilience Development Initiative, Indonesia	Local Responses toward Climate Change: A Geographical and Institutional Multilevel Governance Issue in two Indonesian Municipalities
Wei, Linlin - URBANgrad, TU Darmstadt, Germany Wékel, Julian - Department of Architecture, TU Darmstadt, Germany	Small Steps, Big Changes: The Role of Project-Oriented Incremental Approach for the Implementation and Management of Multifunctional Urban Green Space
Cai, Wenbo, China Gibbs, David - Department of Geography, Environment and Earth Sciences, University of Hull, U.K., United Kingdom Cai, Yongli - School of Geo-Science, East China Normal University, No.500 Dongchuan Road, Shanghai, China, China Zhang, Lang - Shanghai Greenery and Public Sanitation Bureau, Shanghai, China, China	Regional Spatial Mismatch in the Supply and Demand of the Ecosystem Services and Sustainable Strategy, A Case Study of the Yangtze River Delta Region, China
Ploberger, Christian - Independent Researcher (China & East Asia), United Kingdom	The challenge of integrating pollution and climate change related factors into a risk analysis framework and its implication for regional/urban planning

Seminar on Peer Reviews

Date/Time: Thursday 26/11/2015 1045 - 1215, Room 205

Chair: Sally Hardy - Regional Studies Association, United Kingdom

Wang, Jenny - Taylor and Francis, United Kingdom	
Yeung, Henry Wai-Chung - National University of Singapore, Singapore	
Liu, Weidong - Institute of Geographic Sciences & Natural Resources Research, China	
Turok, Ivan - Human Sciences Research Council, South Africa	
Dunford, Michael - University of Sussex, and Chinese Academy of Sciences, United Kingdom	

Sustainable urbanization and development 1

Date/Time: Thursday 26/11/2015 1045 - 1215, Room 206

Chair: Wenying Fu - South China Normal University, China

Wang, Xuefeng - Newcastle University, United Kingdom	Accountability, Efficiency, and Legitimacy of Localised Planning Practices in China: A Spatial Planning Perspective
Hasibuan, Hayati Sari - University of Indonesia, Graduate Program of Environmental Science Koestoer, Raldi Hendrotoro - University of Indonesia, Graduate Program of Environmental Science, Indonesia	The Role of Transit Oriented Development in Greening Mega-Urban: a Regional Development Perspective
Ayres, Sarah - University of Bristol, United Kingdom	Informal Governance and Policy Innovation: A Central Government Perspective on Devolution Deals in England, UK

Lunch Break

Date/Time: Thursday 26/11/2015 1215 - 1345, The Conference Hall

Lunch Break	Lunch Break, the Hall of the Run Run Shaw Science Building
-------------	--

Innovation and Entrepreneurship

Date/Time: Thursday 26/11/2015 1345 - 1515, Room 201

Chair: John Shutt - Leeds Beckett University, United Kingdom

Mouraviev, Nikolai - University of Abertay Dundee, United Kingdom	An entrepreneur's cosmopolitan mindset and a cosmopolitan city: properties of co-evolution
Shiqi, Wang - Chinese Academy Of Sciences, China Sonn, Jung Won - University College London, United Kingdom Park, Sunman - Seoul National University, United Kingdom Choi, Haeok - Spatial Information Research Institute, Korea, Republic of	Metropolitan Models of Innovation in East Asia: Comparing Shenzhen, Taipei, Seoul, and Tokyo
Li, Jingyan - College of Urban and Environmental Sciences, Peking University, China Tong, Xin - College of Urban and Environmental Science, Peking University, China Tao, Dongyan - College of Urban and Environmental Science, Peking University, China	Stay or Start Up: Survey on Entrepreneurship Intention Within Manufacturing Plants in Shandong, China
Qian, Haifeng - University of Iowa, United States	Knowledge Base Differentiation in Regional Systems of Innovation and Entrepreneurship

Natural/Cultural Resources, Planning and Development

Date/Time: Thursday 26/11/2015 1345 - 1515, Room 203

Chair: Daniela Carl - Regional Studies Association, United Kingdom

Nilsson, Mats - University of Karlstad, Sweden	Post-secular Journeys. Spiritual places and Regional development
Lindkvist, Knut Bjørn - University of Bergen, Norway Holmgren, Heidi - Arctic University of Norway, University of Tromsø, Norway	Resource management regimes and innovation in peripheral nature-based tourism: The case of North Cape tourism and sea fishing tourism
Mota Flores, Ventura Enrique - Universidad del Caribe Sosa Ferreira, Ana Pricila - Universidad del Caribe, Mexico	The Tourism Regionalization like a way in innovation for the regional development
Ling, Xue - Peking University, China	China's net carbon sink: an agricultural perspective

Sustainable Urbanization and Development 2

Date/Time: Thursday 26/11/2015 1345 - 1515, Room 204

Chair: Datuk Ary Samsura - Radboud University Nijmegen, The Netherlands

Chettiparamb, Angelique - University Of Reading, United Kingdom Mady, Christine - Notre Dame University, Lebanon	Planning in the Face of 'Deep Divisions': A View from Beirut, Lebanon
Fauzi, Akhmad - Bogor Agricultural University (IPB), Indonesia Erlinda, Novita - Bogor Agricultural University, Indonesia	Measuring Regional Sustainable Development using FLAG Model: A Case Study of Regional Development in Jambi Province, Indonesia
Herbstritt, Caren - University of Hamburg Center for Globalisation and Governance	Governing the Transformation Towards Low-Carbon Urban Energy Systems. A Multi-Level Governance Analysis of Wuhan, China

ADP Editors Meeting (invites only)

Date/Time: Thursday 26/11/2015 1345 - 1715, Room 209

Limonov, Leonid - IC SER Leontief Centre, Russia	
Dunford, Michael - University of Sussex, and Chinese Academy of Sciences, United Kingdom	
Liu, Weidong - Institute of Geographic Sciences & Natural Resources Research, China	
Campolina Diniz, Clélio - CEDEPLAR - Universidade Federal de Minas Gerais, Brazil	
Lin, George - University Of Hong Kong, China	
Turok, Ivan - Human Sciences Research Council, South Africa	
Kundu, Amitabh - INSTITUTE FOR HUMAN DEVELOPMENT, India	
Qing, Ren - Chinese Academy Of Sciences	
Park, Sam-Ock - Seoul National University, Korea, Republic Of	

Refreshment Break

Date/Time: Thursday 26/11/2015 1515 - 1545, The Conference Hall

Refreshment Break	Refreshment Break, the Hall of the Run Run Shaw Science Building
-------------------	--

Chinese Session 1

Date/Time: Thursday 26/11/2015 1545 - 1715, Room 201

Chair:

Wang, Hui	Spatial-temporal Analysis on Jiangsu's Regional Inequality and Influencing Factor
Tian, Guanghui - Henan University, China	Spatiotemporal Analysis of Industrial Pollution in Transitional China
Li, Jingjing	Effect of Population Flow of Yangtze River Economic Belt on Regional Economic Disparities at the Multi-scale Perspective
Hu, Zhiqiang	Research on the Spatial and Temporal Pattern of FDI Location in China since the New Century

Coordination and Planning of Cities

Date/Time: Thursday 26/11/2015 1545 - 1715, Room 203

Chair: Sarah Ayres - University of Bristol, United Kingdom

Su Won, Kim - Korea Research Institute for Vocational Education and Training, Korea, Republic of Ga Youn, Kim - Korea Research Institute for Vocational Education and Training, Korea, Republic of	Schemes to Strengthen the Regional Governance of Employment Services
Yongli, Cai - East China Normal University, China Cai, Wenbo - Department of Geography, Environment & Earth Sciences, University of Hull, United Kingdom	Regional Integrated Governance of Environmental Problems and Its intergovernmental Coordination Mechanism in Yangtze River Delta, China
Hamers, David - PBL The Netherlands Environmental Assessment Agency, The Netherlands	The Innovative City: The Role of Urban Areas in Transition Processes in Theory and Practice
Wang, Lei - Wuhan University, China Zhai, Bowen - Wuhan University, China	Emerging Urban-Regions in Central China: Case of Upper Yangtze River Delta

Culture, Values, Mentalities/Housing, Regional Development

Date/Time: Thursday 26/11/2015 1545 - 1715, Room 204

Chair: Thierry Theurillat - Real Estate and Construction Department, University of Hong Kong, China

Grip, Lena - Institution of Geography, Media & Communication, Sweden Grundel, Ida - Institution for Geography, Media and Communication, Karlstad University, Sweden	Regional Development, Sense of Place and Belongingness - a Swedish Perspective
Zhou, Xizhen - Jilin HuaQiao University of Foreign Languages Friend, Anthony - School of Education, University of Nottingham, United Kingdom	Practicing Colonialism but Offended by the Discourse of Colonialism: A Reflexive Experiment in Ethnographic Methodology of Expatriate Teachers' Practice and Discourse in the 'Rust Belt' of Northeast China
Liang, Yutian - Sun Yat-Sen University, China Lin, Xiaona - Key Laboratory of Regional Sustainable Development Modeling, CAS, China Sun, Wei - Key Laboratory of Regional Sustainable Development Modeling, CAS, China	Regional Economic Disparity Under the Framework of Multi-Scale and Multi-Mechanism Analysis in Poverty-Stricken Area: a Case Study of GuiZhou Province in China
Jiang, Di - The Bartlett Development Planning Unit, University College London	The Role of Housing and the Development of Housing Inequalities in Contemporary China: theoretical perspectives on the relations between housing inequalities and economic inequalities in market transition

Innovation and Spatial Development

Date/Time: Thursday 26/11/2015 1545 - 1715, Room 205

Chair: Sally Hardy - Regional Studies Association, United Kingdom

Kerimoglu, Ebru - Istanbul Technical University, Turkey Bozdag, Vuolat - ITU, Turkey	The Changing Role of Universities as a Case of Institutional Transition in Economic Development
Li, Erling - Henan University, China Wang, Wenjing - Seismological Bureau, Xinxiang, Henan, China Ye, Xinyue - Kent University, United States Xu, Yanan - Henan university, China	The Formation and Evolution of Chinese Agricultural Science and Technology Knowledge Network
Zhou, Jun - School of Architecture Southeast University	Research on the Spatial Agglomeration Evaluation and Guidance of Main Innovative Actors in Metropolitan Area
Xi, Junjie	China Design Week-Design, Innovation and Technology

Pollution, Industry and Transport

Date/Time: Thursday 26/11/2015 1545 - 1715, Room 206

Chair: Christian Ploberger - Independent Researcher (China & East Asia), United Kingdom

Li, Weifeng - University Of Hong Kong, China Wu, Jiansheng Wu - School of Urban Planning and Design, Peking University Shenzhen Graduate School, China	Towards Sustainable Development of Megacities in China: Linking Urban Structure and Air Pollution in Beijing
Li, Jing - Northeast Institute of Geography & Agroecology, China Zhang, Pingyu - Northeast Institute of Geography and Agroecology, CAS, Changchun, Jilin 130102, China, China	Explaining transport carbon emissions by different mode for shopping in urban areas: a case study of Shenyang City in China
Ma, Li - Institute of Geographic Sciences & Natural Resources Research, China Jin, Fengjun - Institute of Geographic Sciences and Natural Resources Research, CAS, China	Factor Decomposition of Chinese Industrialization Environment Pollution based on LMDI

Gala Dinner

Date/Time: Thursday 26/11/2015 1930 - 2200, Conference Center

Gala Dinner	Gala Dinner is open to all participants of the Conference, it will take place in the Hall of the Hall of the Run Run Shaw Science Building at 19:30.
-------------	--

Registration

Date/Time: Friday 27/11/2015 0830 - 1715, Conference Center

Registration	Registration desk opens at 8:00 in the Hall of the Run Run Shaw Science Building.
--------------	---

GVC and Clusters 1

Date/Time: Friday 27/11/2015 0900 - 1030, Room 201

Chair: Canfei He - Peking University, China

Zhuang, Jane - University of Otago, New Zealand Everett, André - University of Otago, New Zealand Duncan, Tara - University of Otago, New Zealand	The Everlasting Fire: How the 2200-year-old Jingdezhen Porcelain Cluster (China) Survived Changing Policies through 500 Imperial Reigns
Shi, Jin - Zhejiang University of Technology, China He, Canfei - Peking University, China	Global Linkage, Regional Competition, and Local Environment: Firm growth in the metal product industry of China
FU, Tianlan - Hong Kong Baptist University, China Yang, Chun - Hong Kong Baptist University, China	Governance Transition in the Market Reorientation of Export-oriented Furniture Firms in the Pearl River Delta, China
Gao, Boyang - Central University of Finance & Economics, China	Variiegated Governance and the rise of the Computer Industry in Chongqing

Knowledge Spillovers, Science Parks and Development

Date/Time: Friday 27/11/2015 0900 - 1030, Room 203

Chair: Sally Hardy - Regional Studies Association, United Kingdom

Fu, Wenyong - South China Normal University, China	Governance for Knowledge Transfer in the Sino-German SMEs Industrial Parks in China: A Case Study from a Periphery City
Wang, Chen - Zhejiang University	Geography of knowledge sourcing, search breadth and depth patterns, and innovative performance: a firm heterogeneity perspective
Yang, Pan - School of Architecture Southeast University	University Science Park in the Innovation Era
Miao, Julie Tian - University of Glasgow, United Kingdom	Transnational Science Spaces and Policy Transfer: case study of Sino-Singapore Science Parks

Urban-Rural Relations, Mountain Areas Land and Resettlement

Date/Time: Friday 27/11/2015 0900 - 1030, Room 204

Chair: Daniela Carl - Regional Studies Association, United Kingdom

Fang, Yiping - Institute of Mountain Hazards & Environment, China Ying, Bin	The Spatial Distribution of Mountain Regions and Economic Regionalization in China
Smith, Nick - Yale-NUS College, Singapore	New-Form Urbanization and New-Form Rurality: Re-engineering Urban-Rural Relations in Contemporary China
Lu, Zhang - Xinjiang Institute of Ecology and Geography, China Du, Hongru - Xinjiang institute of ecology and geography, Chinese academy of sciences, China Zhang, Xiaolei - Xinjiang institute of ecology and geography, Chinese academy of sciences, China	The investigation and analysis for farmers 'will of moving to the central village and influencing factors in Minority community – take Hetian region for example
Zhang, Shuping - University of Waterloo, Canada Qian, Zhu - University of Waterloo, Canada	Institutional Ensembles of Post-reform China's Rural Land Expropriation in Urban Fringe Region: A Case of Shanghai

Culture, Community and Development

Date/Time: Friday 27/11/2015 0900 - 1030, Room 205

Chair:

Sun, Yixiang - UCL, the Bartlett School of Planning, United Kingdom	Constructing Chinese Entrepreneurial Cities: Restructuring Social Relations with Flagship Culture-led Redevelopment Projects in Xi'an
Chen, Liang - Southeast University, China	Research on Conservation and Renewal Strategies of Historical District Based on Vitality—Take Jidu Historical District as an Example
Wang, Ying - Xi'an University of Architecture and Technology, China	Urban Enclaves Led by Cultural Redevelopment Movements in China
Wang, June - City University of Hong Kong, China	Constructing The Cultural Regions In China: Thinking Through The Lens Of Territory Effect

Refreshment Break

Date/Time: Friday 27/11/2015 1030 - 1100, The Conference Hall

Refreshment Break	Refreshment Break, the Hall of the Run Run Shaw Science Building
-------------------	--

Metropolitan Planning and Development

Date/Time: Friday 27/11/2015 1100 - 1230, Room 201

Chair: Ivan Turok - Human Sciences Research Council, South Africa

Van der Krabben, Erwin - Radboud University, The Netherlands Root, Liz - Radboud University, The Netherlands	Finance for Urban Development: Assessing Tax Increment Financing for the Dutch Spatial Planning Toolkit
Schön, Karl Peter - BBSR Bonn, Germany	The challenge for smart, sustainable and inclusive growth in the European Union: A midterm review of the Europe 2020 Strategy
Yang, Daniel You-Ren - Department of Sociology, Tunghai University, Taiwan, China	Land Financialization and Local State 'Banketization': the Banking and Privatizing Governance of FAR as Fictitious Capital in Metropolitan Taiwan
Kim, Jungbin - University of Seoul, Korea, Republic of	Urban Morphology Changes through the Power Shift from Public Sector to Private Industry in Urban Development in Seoul

Cities, City Networks and Growth

Date/Time: Friday 27/11/2015 1100 - 1230, Room 204

Chair: Haifeng Qian - University of Iowa, United States

Rozenblat, Celine - University of Lausanne, Switzerland Swerts, Elfie - University of Lausanne, Switzerland	Relay Cities In The Regionalisation Of World Cities Networking Of Multinational Firms (2010-2013)
Liu, Dong, China	Spatial and Temporal Characteristics of Urban Expansion Progress in Siping, China
Zuo, Jingnan - Southeast University, Afghanistan	The Application of Syntactical Analysis of Space Structure with the Reference of Urban Function: A Case Study for the Evolution of Nanjing city
Wenkai, Bi - School of Geography, Beijing Normal University Fenghua, Pan - School of Geography, Beijing Normal University, China	Mapping Chinese Urban Networks Through Inter-Firm Connections Based on Advanced Producer Service Firms' Business Practice

GVC and Clusters 2

Date/Time: Friday 27/11/2015 1100 - 1230, Room 203

Chair:

Yang, Chun - Hong Kong Baptist University, China	Transformation of China's "World Factory" in the Shifting Global Economy: Production Relocation and Market Rebalancing
Huang, Hao - University of Utah, United States	Urbanization Agglomeration Economies and Diseconomies: Spatial Clustering of Migration and Foreign Direct Investment in China
Liu, Yi - Sun Yat-Sen University, China LIANG, Yutian - Sun, Yat-sen University, China	Intra-regional strategic recoupling against global industrial imperatives: state-led industrial relocation in Guangdong Province, China
He, Canfei - Peking University, China Zhu, Shengjun - Department of Geography, College of Science, Swansea University, United Kingdom Zhou, Yi - Peking University, China	How to Jump Further? Path Dependent and Path Breaking in an Uneven Industry Space?

Land and City Development

Date/Time: Friday 27/11/2015 1100 - 1230, Room 205

Chair: Nick Smith - Yale-NUS College, Singapore

Theurillat, Thierry - Real Estate and Construction Department, University of Hong Kong, China	The Creation of Urban Value in China: the Case of the Modernization of Qujing City in Yunnan
Li, Keyang - Institute for Management Research, Radboud University Nijmegen, The Netherlands Samsura, D. Ary A. - Institute for Management Research, Radboud University Nijmegen, The Netherlands van der Krabben, Erwin - Institute for Management Research, Radboud University Nijmegen, The Netherlands	Measuring Cultural Aspects in Land Development Processes: An Experimental Approach
Kresse, Klaas - Ewha Womans University, Korea, Republic of	Urban Land Readjustment in South Korea
GE, Lara Ling Chai, Sabrina Hongxia - The University of York, United Kingdom Li, Junfu - Beijing University of Technology, China	Inside the Outsiders' Informal Settlements in Beijing, China

Lunch Break

Date/Time: Friday 27/11/2015 1230 - 1400, The Conference Hall

Lunch Break	Lunch Break, the Hall of the Run Run Shaw Science Building
-------------	--

Agglomeration, Investment, Resources and City Growth

Date/Time: Friday 27/11/2015 1400 - 1530, Room 201

Chair: Leonid Limonov - ICSE Leontief Centre, Russia

Shi, Shuai, United Kingdom Wall, Ronald - Erasmus University of Rotterdam, The Netherlands	The Conjunction of Networked Agglomeration and Location Factors in Chinese Cities: taking FDI and Domestic Investment as example
Tremblay, Jean-François - University of Ottawa, Canada Boadway, Robin - Queen's University, Canada Sato, Motohiro - Hitotsubashi University, Japan Tremblay, Jean-François - University of Ottawa, Canada	Natural Resource Extraction, Decentralization and Regional Development
Wei, Houkai - Rural Development Institute, China Huanhuan, Zhu - Institute for Urban and Environmental Studies Chinese Academy of Social Science, China	Research on the Relationship Between the Regional Innovation Capitals and Urbanization in China
Yun, Hou - Peking University Tieshan, Sun - School of Government, Peking University, China	Spatial Structure and Economic Productivity in Metropolitan Areas of China

Industry, Innovation and R&D Networks

Date/Time: Friday 27/11/2015 1400 - 1530, Room 203

Chair: Julie Tian Miao - University of Glasgow, United Kingdom

Gezici Korten, Ferhan - Istanbul Technical University, Turkey Yazgi Walsh, Burcin - Istanbul Technical University, Turkey Metin, Sinem - Istanbul Technical University, Turkey	Regional and Structural Analysis of Manufacturing Industry in Turkey
Si, Yuefang - East China Normal University, China	Location, Knowledge and Network of Chinese R&D Centers: The Case of Huawei
Song, Tao - Institute of Geographic Sciences & Natural Resources Research, China	Towards Smart Cities by Internet of Things (IoT) in China
Shutt, John - Leeds Beckett University, United Kingdom Cheng, Huifang - Zhejiang University of Technology, College of Business and Management, China	Zhejiang Province and Hangzhou City region and the 'Prime driver Companies' of globalisation and technological development; A Chinese silicon Valley in the making?

Transport Investment and Planning

Date/Time: Friday 27/11/2015 1400 - 1530, Room 204

Chair:

Li, Hong - Guangxi University, China Zhang, Ting - Guangxi University, China	An Analysis on the Spatial Effect of Transportation Infrastructure in Border Provinces: Threshold, Spillover, and Bordering
Chen, Chia-Lin - Department of Urban Planning and Design, China Hickman, Robin - Bartlett School of Planning, University College London, United Kingdom Wei, Biao - 7th Planning Department of Hangzhou, City Planning and Design Academy, China	Is High-Speed Rail Making and Breaking Chinese Cities? An Analysis from a User Perspective for Sustainable Urbanisation
Wang, Jiaoe - Institute of Geographic Sciences & Natural Resources Research, China Jiao, Jingjuan - Institute of Geographic Sciences and Natural Resources Research, China	Impacts of High-Speed Rail Lines on the City Network in China
Khan, Samra Sarfraz - University of Karachi, Pakistan	Chinese Geo-Political Realities in the Context of Pakistan

Refreshment Break

Date/Time: Friday 27/11/2015 1530 - 1600, The Conference Hall

Refreshment Break	Refreshment Break, the Hall of the Run Run Shaw Science Building
-------------------	--

Closing Plenary

Date/Time: Friday 27/11/2015 1600 - 1715, Room 117

Chair: Beer, Andrew - UniSA Business School, Australia

Liu, Weidong - Institute of Geographic Sciences & Natural Resources Research, China	Unpacking the "Belt" and "Road" Initiative of China
Yeung, Henry Wai-Chung - National University of Singapore, Singapore	Regional development in the global economy: towards a new political economy
