

# 35<sup>TH</sup> INTERNATIONAL GEOGRAPHICAL CONGRESS 2024

24-30 August | Dublin, Ireland

## Dublin City University (DCU)

Join us for this festival of Geography as we welcome more than 2,000 geographers from around the world to Dublin in summer 2024. Our programme will include:

- Academic papers
- Poster presentations
- Fieldtrips and other excursions across the island of Ireland
- Networking events for groups including Women in Geography, Teachers of Geography, Early Career Researchers
- Keynote speakers from academia, industry and the policy worlds

We're working with a range of stakeholders and experts to bring you a fantastic insight into the power and value of Geography as a discipline addressing key societal and environmental challenges. Programme topics include:

- Geospatial data analysis and remote sensing
- Energy geographies
- Cities, planning and quality of life
- Transport, mobilities and spatial change
- Transitioning to low carbon economies and societies
- Water and marine spatial planning
- Health, community wellbeing and quality of life
- Climate reconstruction, adaptation and mitigation
- Geohazards
- Risk, resilience and sustainability
- Migration
- Ecosystems and biodiversity
- Quaternary environments and human interaction
- Political geographies, geopolitics and security
- Geographies of leisure, tourism and sport
- Creativity, art and community engagement
- Gender, identity and feminism
- History, heritage and culture
- Geography education and pedagogy
